

# SPECTACULAR HIGH PERFORMANCE RINSE ADDITIVE

**PRODUCT USES** Premium, concentrated rinse additive for high temperature dish machines.

**OPERATOR BENEFITS**

- Eliminates spots and film from glasses.
- High concentration optimizes economy and machine efficiency.
- Rapid sheeting yields fast drying and sparkling clean tableware.

**DIRECTIONS FOR USE** Contact your Chemical Specialist to calibrate electronic dispenser:

1. Carefully open container to prevent spilling or splashing.
2. Insert the rinse aid pickup tube in the container.
3. The rinse aid will then be dispensed automatically.
4. Replace with new container when empty.
