

Steel Cleaner

WATER BASED

PRODUCT USES	Fast-acting, water-based stainless steel and metal cleaner and polish. For use on metal finish on equipment in kitchens, laboratories, offices, restaurants, elevators, factories, on architectural steel, and in many other areas.	
OPERATOR BENEFITS	<ol style="list-style-type: none"> 1. Maintains a bright, spotlessly clean finish. 2. Self-indicating creamy foam easily removes tough oil-based stains and water spots. 3. Polishes as it cleans leaves no greasy film. 4. Leaves a unique coating which repels further soiling. 	
DIRECTIONS FOR USE	Always hold the dispenser upright. Aim spray opening away from people or pets and toward surface to be cleaned and polished. Shake well before using. Holding spray opening about 8" to 10" (1/4 m) from surface, press spray button firmly and apply a thin creamy coating over the whole area to be treated. For heavily soiled areas, allow product to soak in for about a minute before wiping off surface. For difficult-to-spray areas, spray directly on a cloth, then use it to apply product. Wipe clean with a damp cloth. Polish surface to a bright, spotless shine with a clean, dry cloth or towel. ATTENTION: Do not get spray, mist or polish on walked-on surfaces; they could become slippery, especially when wet.	
PRODUCT SPECS	Pack size: 12/18 oz. Aerosol Characteristics: n/a Rinsability: n/a Flammability: n/a	Color: n/a Odor: n/a Foam: Light pH in conc. form: 9
