

# PREMIUM RINSE ADDITIVE

## PRODUCT USES

Liquid, concentrated rinse aid for use in high temperature, or low temperature dishmachines to provide fast drying and to prevent film or spots on tableware.

## OPERATOR BENEFITS

- High concentration optimizes economy and machine efficiency.
- Performs well in most water conditions.
- Fast-sheeting formulation ensures rapid drying and sparkling clean tableware.

## DIRECTIONS FOR USE

1. Carefully open the container to prevent spilling or splashing.
2. Insert the rinse aid pickup tube into the container opening.
3. The rinse aid is then dispensed automatically into the dishmachine.
4. Replace with new container when empty..
