Characteristics: NA
Rinsibility: Great
Flammability: NA

Color: Clear, colorless to light yellow
Odor: Characteristic
Foam: NA
pH in conc. form: >12.5

IMPORTANT OPERATOR INFORMATION

SDS:

Refer to the Safety Data Sheet (SDS) supplied by your distributor for information on emergency response, safe usage, hazards, first aid and proper product handling.

Emergency Response Phone: 1-800-424-9300

Statement of Practical Treatment:

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Protect from sunlight. Store in a well-ventilated place. Dispose of contents and container in accordance with all local, regional, national and international regulations.

Product Precautions:

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wash hands thoroughly after handling.

Shipping Classification:

UN 1760 Corrosive liquid, n.o.s., Class 8, PG II (Contains Sodium Hydroxide)
