# Welcome!

TMA Chemnet looks forward to creating a warewash, laundry or housekeeping program designed just for you. We help businesses like yours secure customers by:

- Enhancing chemical margins help offset marginal food and non-food pricing.
- Co-marketing chemicals with other products will increase your overall business and profits.
- Showing you how to increase customer loyalty and add value by delivering efficient, credible service.
- Providing broad spectrum products that work well. When a different product is needed, we build it quickly, often within weeks.
- Offering an affordable, private label program for those that choose to market their own brand.
- Helping you fix technical or product problems on-site.

**Simply said, we'll invest our chemical and distribution expertise to help you grow!**

Learn more at [www.chemnet-systems.com](http://www.chemnet-systems.com) or call 877-395-7627 (SOAP)

# Simply Complete.

Our complete warewash systems take care of your cleaning needs, so you can focus on your customers' needs. Easy to use products, employee training and technical support make cleaning and sanitation worry-free... so business and profits can thrive.

## Professional Cleaning Solutions

**We're soapers... We understand.**

It's more than a slogan. TMA was founded by and is operated by folks who came from the soap business. That means you get more than a chemical supplier – you get a partner who understands your business, processes orders quickly, and delivers products that consistently perform.

We understand the importance of being the best in the industry — and that's what we're here to help you do!

# Powder Dishmachine Detergents

## Again / Chlorinated Machine Detergent (Soft & Medium Water Formula)

10830

4/8LB

A work-horse, powdered, chlorinated mechanical detergent formulated for high temperature dishmachines and soft to medium hard water conditions.

## Metalsafe Encapsulated Machine Detergent (Chlorinated)

108635

4/8LB

A metalsafe, powdered, chlorinated mechanical detergent formulated for high temperature dishmachines.

## Ultra / H.D. Chlorinated Machine Detergent (Hard Water Formula)

10863

4/8LB

A super premium, heavy-duty, powdered, chlorinated mechanical dishmachine detergent formulated for high temperature dishmachines.

## Metalsafe Powder Chlorinated Dishmachine Detergent

10861

2/10LB

A chlorinated, metalsafe mechanical dishmachine detergent for use in automatic pan-type dispensers, or where detergent is hand fed.

## Ultra NP / H.D. Chlorinated Machine Detergent

108632

4/8LB

A heavy duty, powdered, chlorinated mechanical dishmachine detergent formulated for high temperature dishmachines and all water conditions. Contains no phosphorous.

# Liquid Dishmachine Detergents

## All Temp Mechanical Dish Detergent

10822

4/1G, 1/5G

A heavy duty, chlorinated mechanical dishmachine detergent formulated for high temperature and low temperature dishmachines. Handles most hard water conditions.

## Metalsafe Mechanical Dish Detergent

108615

1/5G

A liquid non-chlorinated detergent for mechanical pot and pan washer. Safe for aluminum and can be used in all water conditions.

## Mechanical Dish Detergent – CS

108221

4/1G, 1/5G

A liquid non-chlorinated caustic soda based mechanical detergent for low-water-use, low and high temperature dishmachines.

## Mechanical Dish – CSX

108222

4/1G, 1/5G

A heavy duty, non-chlorinated, caustic soda based, dishmachine detergent with water conditioners, formulated for low-water-use, low and high temperature dishmachines.

## Total Dish

108221 TW

2/1G

Concentrated dish detergent to use in high or low temp applications. Safe on china, glasses and all tableware.

Low Temp applications use 1 to 2 ml per rack.

Use RED SafeLink

Cap #913471

# Rinse Aids

## Pro-Dry XL / Concentrated Rinse Additive

108491

4/1G, 1/5G

An economical liquid, concentrated rinse aid for use in high temperature or low temperature dishmachines.

Provides fast drying and prevents film or spots on tableware.

Especially good on plastics.

## Total Rinse

108071 TW

2/1G

Concentrated rinse aid with water conditioners to help hard water situations. Use 1/2 ml to 1 ml per rack.

Use GREEN SafeLink

Cap #913384

## Premium Rinse Additive

10848

4/1G, 1/5G

A liquid concentrated rinse aid for use in high temperature dishmachines. This no-foam rinse aid is well suited for conveyor and flight machines.

## Spots Free / High Solids Water Rinse Additive

108476

4/1G, 1/5G

A premium, acid rinse specifically formulated to prevent spots or film when high total dissolved solids (T.D.S.) are present in the water. This rinse aid is designed for both high and low temperature dishmachines.

## Dishmachine & Kitchen Products

Super Concentrated with Color Coded SafeLink Cap System.

### TOTAL RINSE

108071 TW

2/1G

Concentrated rinse aid with water conditioners to help hard water situations. Use 1/2 ml to 1 ml per rack.

Use GREEN SafeLink Cap #913384

### TOTAL POT & PAN

10852 TW

2/1G

A yellow high foaming pot & pan soap with a fresh lemon smell. Use 1oz per 6 gallons of water.

Use YELLOW SafeLink Cap #913385

### LO TEMP SANITIZER

108475 TW

2/1G

Stabilized chlorine for use in low temp dishmachines. EPA Registered.

Use YELLOW SafeLink Cap #913385

### QUAT SANITIZER

108554 TW

2/1G

EPA registered quaternary sanitizer. Use in 3pt sink or dilute into spray bottles for kitchen hard surface sanitizer. .33oz to 1 gallon of water.

Use GREY SafeLink Cap #913474

### TOTAL DISH

108221 TW

2/1G

Concentrated dish detergent to use in high or low temp applications. Safe on china, glasses and all tableware.

Low Temp applications use 1 to 2 ml per rack.

Use RED SafeLink Cap #913471

### TOTAL PRESOAK

1084572 TW

2/1G

An economical presoak that removes tough food soils from stainless flatware and loosens baked-on food soils from aluminum pots and pans

Use LIGHT BLUE SafeLink Cap #913473

# Solid Dishmachine & Kitchen Products

## Secure Solid Dish Detergent

108636

4/8LB

A creamy white, smooth uniform warewash solid designed specifically for automatic dispensing equipment. It's neither too hard nor too soft, but dissolves at just the right speed to provide uniform level of your capsule. Contains highly effective functional ingredients that fight stubborn food soils and provide reserve capacity for tough cleaning.

## Sparkle Rinse Additive

108639

2/5LB

A highly concentrated solid formulated to work in the rinse waters used in both high and low temperature warewash machines. It contains a highly effective combination of defoamers and wetting agents which decrease drying time and leave dishes and flatware spot and streak free.

## Solid Metal Safe Dish Detergent

108640

4/8LB

Non-phosphate metal safe detergent that contains no chemicals considered harmful to aquatic life. The formulation has been accepted by the US Environmental Protection Agency, Design for the Environment, and is the recipient of this coveted award from the government.

## MAX Pot & Pan Detergent

108638

2/4LB

A mild, pleasantly-scented, highly-concentrated manual warewash solid designed for use with automatic dispensing equipment. Because MAX is so concentrated, a little goes a long way. MAX contains highly effective emulsifiers and grease cutters and yet is mild to the hands. It has the ability to suspend heavy soils and greases while providing rich, long lasting suds.

## Solid Silver Presoak

108630

2/6LB

Solid Silver is an alkaline detergent solid designed for presoaking and detarnishing flatware. It contains both alkaline ingredients and a combination of surfactants to provide for the rapid penetration of hardened food soils and the removal of discoloring films. Dual enzyme activated for quicker food soil removal.

# Presoaks / Lime Removers

## Flatware Presoak

1084572

4/1G, 1/5G

An economical presoak that removes tough food soils from stainless flatware and loosens baked-on food soils from aluminum pots and pans. Do not use on silver flatware

## LSR / Delimer

108517

4/1G, 1/55G

An economical, non-fuming, acid detergent used to remove lime deposits from kitchen equipment and utensils. Ideal for descaling dishmachines.

## Stainless Plus / Liquid Stainless Presoak

108457

4/1G

A liquid presoak formulated to remove tough food soils on stainless flatware. Do not use on silver flatware.

## LSR / Steam Table Lime Scale Remover

108516

4/1G

An economical, non-fuming acid detergent used to remove lime scale. Contains no hydrochloric acid. Ideal for steam tables, steamers and kitchen equipment.

## Silver Presoak Powder

10855

2/10LB, 2/8LB, 4/8LB

A powdered presoak formulated to remove tough food soils on silver and stainless flatware and to detarnish silverware.

## LSR / Heavy Duty Delimer

108519

4/1G, 1/55G

A premium liquid acid detergent used to remove lime deposits from kitchen equipment and utensils. Ideal for dishmachines, stainless equipment, urns, sinks, pots and pans.

## Tableware Destainer

108555

2/10LB

An oxygen destainer which removes coffee, tea and other food stains from china, plastic, stainless steel, pots and coffee makers.

## Total Presoak

1084572 TW

2/1G

An economical presoak that removes tough food soils from stainless flatware and loosens baked-on food soils from aluminum pots and pans

Use LIGHT BLUE SafeLink Cap  
#913473

# Pot & Pan Detergents

## Blue Suds / Blue Pot & Pan Manual Detergent

108512

6/1QT, 2/1G, 4/1G, 1/5G

Economical, workhorse manual detergent that removes grease and soils from pots, dishes, tableware and kitchen utensils.

## Soft Pink / Lotionized Pot & Pan Detergent

10851

4/1G, 1/5G

A premium lemon scented, pink detergent which removes soils from pots and pans, glasses, utensils and dishes.

## Pink Pot & Pan Detergent

108511

2/1G, 4/1G, 1/5G

An economical, floral scented, pink detergent which removes soils from pots and pans, glasses, utensils and dishes.

## Lemon Fresh / Premium Pot & Pan Detergent

10852

4/1G, 1/5G

A premium, concentrated liquid detergent formulated for the manual washing of pots and pans, glasses, utensils and dishes.

## Premium / Heavy Duty Green Pot & Pan Detergent

108515

4/1G, 1/5G, 30G

A heavy duty, green detergent for the manual washing of pots, pans, glasses, dishes and utensils.

## Day Break / Premium Pot & Pan Detergent

108527

6/1QT, 4/1G, 1/5G

A premium concentrated liquid detergent for the manual washing of pots and pans, glasses, utensils and dishes.

## Total Pot & Pan

10852 TW

2/1G

A yellow high foaming pot & pan soap with a fresh lemon smell. Use 1oz per 6 gallons of water.

Use YELLOW SafeLink Cap #913385

## Turbo-Wash / Low Foaming Pot & Pan Detergent

108202

4/1G

A low-foaming detergent used in turbo-sinks to remove heavy grease and soils from pots, pans, utensils and baking sheets.

# E.P.A. Registered Kitchen & FCS Sanitizers

## Low Temp Sanitizer

108475

4/1G, 1/5G

EPA registered. 5.25% active chlorine sanitizer for use in low temp dishmachines. Provides excellent stain removal on china and plastic tableware.

## Iodophor Sanitizer

108559

4/1G

EPA approved, low foaming cleaner/sanitizer for use on glasses, dishes, equipment, walls, floors countertops and storage areas. Leaves NO streaks or spots on glasses or dishes.

## Steramine 1-G Tablets

10832

6/150 count

EPA Registered sanitizing tablet for bar sinks and third sink sanitizing of glassware, dishes and utensils. Pre-measured, easy to use tablet that is non-irritating to hands and non-corrosive to metals.

## Quat Sanitizer

108554 TW

2/1G

EPA registered quaternary sanitizer. Use in 3pt sink or dilute into spray bottles for kitchen hard surface sanitizer. .33oz to 1 gallon of water.

Use GREY SafeLink

Cap #419702

## R-T-U Quaternary FCS Sanitizer

1085665

6/1QT w / 2 trigger sprayers

EPA Registered. Sanitizes food processing equipment, counter tops, chopping blocks, appliances, stoves, tables and food work areas. Effectively sanitizes with 350 ppm active quaternary solution.

## Low Temp Sanitizer

108475 TW

2/1G

Stabilized chlorine for use in low temp dishmachines.

EPA Registered.

Use YELLOW SafeLink

Cap #913385

## Quaternary Sanitizer – (M)

108554

Clear: 4/1G, 1/5G

Red: 2/1G, 4/1G, 1/5G, 1/30G

No-rinse sanitizer for utensils, pots, pans, counters and kitchen equipment. Deodorizes hard surfaces and can also be used as a sanitizer for institutional and commercial laundry. "No-rinse" formula saves time and labor.

## DefendEX RTU

1085667

6/1QT w / 2 trigger sprayers

EPA registered, one-step hospital disinfectant and bactericidal. Time saving formula uses the cleaning power of hydrogen peroxide.

## Sanitize. Disinfect. Protect.

Our kitchen cleaning products clean, sanitize, and disinfect restaurants, hospitals, schools, jails/prisons, food processing areas, and institutional kitchens. We protect health and safety of customer, guests, and employees—so you can protect your investment. *Worry-free.*

# Ready-to-Use General Purpose Cleaners

## R-T-U Glass & Multi-Surface Cleaner

10856

6/1QT w / 2 trigger sprayers, 4/1G  
An excellent, ready to use, anti-fogging surface cleaner for use on windows, glass doors, mirrors, countertops and vending machines.

## Lemon Brite

1084573

6/1QT

All Purpose Cleaner with bleach for counter tops, vending machines and most surfaces. Cleans most hard surfaces without streaking. Bleach formula cuts through grease and grime. Easy to use. No mixing required.

## R-T-U Citrus APC / All Purpose Cleaner

1084661

6/1QT w / 2 trigger sprayers  
R-T-U, multi-purpose cleaner and degreaser for use in kitchens and housekeeping applications. Handles most cleaning jobs including use as a laundry and carpet prespotter. Easy to use; no mixing required.

## NuSheen

108458

4/1G, 6/1QT

Nusheen cleans and polishes, inhibits finger marking, and cuts down on cleaning time and costs. Non-flammable and non-caustic, it contains no silicone or wax. It's an exceptional product, preferred by those who take time to compare.

## Mold Magix

10900

6/1QT

Ready to use bleach-free, non-corrosive formula to remove mold and mildew. Ready to use on wood, plastic, metal, plaster, fabric, shingles, concrete, sidings, brick and upholstery. Helps protect against future growth

# Concentrated General Purpose / Floor Cleaners

## Neutral Cleaner

108691

4/1G

A neutral pH, no rinse cleaner for floors and general cleaning.

## Peroxy Power

108602

2/1G

A neutral pH, no rinse cleaner, for floors and general cleaning.

## Fabu-Clean

108467

4/1G

A lavender scented, concentrated all-purpose cleaner ideal for floors, bathrooms and walls. Non-toxic formula leaves no residue with no need to rinse.

## E.S.P.

### Concentrated Enzyme Fortified Carpet Cleaner / Spotter

108693

4/1G

A concentrated carpet cleaner fortified with enzymes to counteract unpleasant odors in carpet. Designed with three carpet cleaning tasks in mind. Extraction, Spotting & Prespray.

## Pine Oil Cleaner

108545

4/1G

An economical and versatile all-purpose detergent for general housekeeping cleaning. Strips away odors leaving a clean, pine scent.

## Neutral AP Cleaner

10869

4/1G

Neutral pH, no-rinse, concentrated cleaner for general housekeeping and floors. Can be used manually or with a mechanical floor scrubber.

# Concentrated Kitchen Degreaser / Floor Cleaners

## Enzyme Floor Cleaner

108341

4/1G

An economical, concentrated floor cleaner for use in kitchens, deli meat preparation areas and on problem slippery floors.

## Fusion / Bioenzymatic Floor Cleaner

10834

4/1G

A "WOW" product for cleaning and maintaining kitchen floors and grout lines. Removes built-up grease and grime. Reduces slipperiness of floors. Cuts labor time needed to deep clean your floors. Fresh grape scent.

## Renew – Acidic Floor Cleaner

108692

4/1G

Acidic floor cleaner that removes mineral deposits and soils without harming surfaces.

## Purple Beast

108583

4/1G

An outstanding kitchen degreaser and general purpose cleaner. Removes grease and soils from walls, floors and non-aluminum surfaces.

## Degreaser / General Purpose Cleaner

108582

2/1G, 4/1G

Outstanding kitchen degreaser and general purpose cleaner. This clean and fresh scented cleaner is excellent at removing grease and soils from walls, floors and non-aluminum surfaces

## Power Degreaser / Heavy Duty General Purpose Cleaner

10858

4/1G, 1/5G

Heavy duty, alkaline cleaner that is excellent for range hoods, exhaust fans, floors and walls.

## Red-X Degreaser

1086450

4/1G

This premium, ready to use degreaser removes heavy grease deposits from iron grills, ovens, hoods, vents and flooring. Fast-action on heated surfaces reduces cleaning time. Effectively penetrates heavy grease for quick removal.

## Concentrated Quarry Tile Cleaner – (E)

1084577

4/1G

An excellent chlorinated cleaner for cleaning quarry tile floors and tile walls.

# Cooking Surface Cleaners

## Grill & Oven Cleaner

1086452

4/1G

A ready-to-use highly alkaline concentrate designed for cleaning burned on carbon grease and protein from ovens and grills. Fast-action on heated surfaces reduces cleaning time. Safe on iron grills, chrome and stainless surfaces

## High Temp Grill & Oven Cleaner

108643

6/1QT

A ready-to-use high temperature grill and oven cleaner that combines surfactants and builders to release soils from all cooking surfaces. No need to turn the grill down to clean, reducing cleaning time.

## Red-X Degreaser

1086450

4/1G

This premium, ready to use degreaser removes heavy grease deposits from iron grills, ovens, hoods, vents and flooring. Fast-action on heated surfaces reduces cleaning time. Effectively penetrates heavy grease for quick removal.

## Carbon Remover / Smoker Cleaner

108548

4/1G

Removes heavy, baked on grease, oils, pitch build-up and carbonized soils.

## Clinging G&O Cleaner II Viscous Oven Cleaner

108646

6/1QT

Gel formula that clings to vertical surfaces while removing baked on grease from ovens, grills, hoods, fryers and stainless vents. Out performs national brands.

# Kitchen Specialty Products

## Foaming Chlorinated Cleaner

1085466

4/1G, 55G

Removes heavy grease and oils. Safe for use on meat processing equipment. Creates a thick foam to adhere to equipment for a prolonged contact time.

## Grease Gobbler / Enzyme Digestant

108558

4/1G, 1/5G

An enzyme formulation whose organisms digest and liquify oils, foods, fats and grease which clog and contaminate grease traps and drain lines. Safe on sinks and drains. Contains no harmful acids, solvents or caustics.

## Freezer / Cooler Floor Cleaner

10835

2/1G

Non-Toxic, low temperature cleaner and defroster for surfaces down to -34F. Removes heavy dirt and grime from freezers and coolers.

## Powdered Deep Fat Fryer Cleaner

108575

2/10LB, 1/50LB

A caustic powder, heavy duty cleaner which removes stubborn, carbonized grease deposits from deep fryers. Can also be used to clean and remove baking sheet soils. Not for use on aluminum.

# Aerosols

## Professional Cleaning Solutions

## Glass Cleaner

108274 12/19oz.

Non-ammoniated formula designed to quickly and effectively remove dirt, grease, grime and other contaminants without streaking. Thick foam lifts away the toughest soils on all glass surfaces. Use to clean mirrors, windows and automotive glass. Wipes quickly, without streaks or rainbows. Will not cause build-up on surfaces.

## Stainless Steel Cleaner (Water Based)

108277 12/18oz.

Fast-acting, water-based stainless steel and metal cleaner and polish easily removes tough oil-based stains and water spots. For use on metal finish on equipment in kitchens, laboratories, offices, restaurants, elevators, factories, on architectural steel, and in many other areas. Maintains a bright, spotlessly clean finish and leaves no greasy film.

Repels further soiling.

## Grill & Oven Cleaner

108275 12/18oz.

Ideal for cleaning ovens, barbecue grills, stoves, overhead hoods, flues, fryers, exhaust fans, porcelain, ceramic, and stainless steel. Formulated to clean stubborn, baked-on grease, grime, carbon build-up, soot and spills. Fast, clean, and effective application for daytime or overnight cleaning. Works on warm or cold ovens, and leaves surfaces sparkling clean without scouring or harsh fumes.

## Duster

108278 12/18oz.

A unique dust-blocking, non-silicone, no wax formula for use directly on surfaces as well as on cloths and mitts. Dusts, polishes and shines in one simple step. Soak-in formula that restores brilliance to wood surfaces. Adds a beautiful gloss to non-porous surfaces. Use on marble, solid synthetic, laminate, plastic, stainless steel, baked enamel, blinds, cabinets, appliances, baseboards and paneling. Fresh citrus fragrance. Will not cause build-up on surfaces. 360° spray-anyway valve.

## Stainless Steel Cleaner (Oil Based)

108276 12/14oz.

Non-abrasive formula safely cleans and polishes metals in one easy application, and help restore original lustre. Provides a thin, protective water resistant film that protects metal from rust and discoloration, and prevents finger-marking and rapid resoiling. For use on aluminum, brass, copper, zinc, stainless steel, iron, and silver.

## Cleaner. Healthier. Better.

Providing an exceptionally clean environment for your employees and guests, our high-performance cleaning solutions surpass expectations. From floor to ceiling, they disinfect, deodorize, polish and protect — to create the best return on your investment.

# E.P.A. Registered Disinfectants

## Completely Fresh

108701 L

6/1QT

EPA Registered. Completely Fresh is a non-acid, hospital grade ready-to-use disinfectant that can be used on floors, walls, shower stalls, bathtubs and toilets. It is designed for one step cleaning and disinfecting.

## Quat Sanitizer

Concentrated Quat Sanitizer

108554

2/1G, 4/1G, 5G, 4/2L

Disinfects and deodorizes hard surfaces, and is a no-rinse sanitizer for food service utensils, pots, pans, counters and all kitchen equipment.

## Neutral Lemon Scented Disinfectant – (J)

108695 W

4/1G, 4/2L

An EPA approved, no-rinse, neutral pH, disinfectant cleaner for hard surfaces with a fresh lemon scent.

## XForce

Ready to Use Disinfectant

108699

4/1G, 6/1QT

A disinfectant that can be used to clean and disinfect hard non-porous surfaces as well as killing microorganisms on hospital soft surfaces, beddings, couches, curtains and upholstery. It is designed for one step cleaning and disinfecting.

## 256Worx

Concentrated Hospital Disinfectant

108697 W

4/2L

Hospital-grade neutral disinfectant that cleans and disinfects floors, walls, sinks, toilets, countertops and all equipment. Economical 1/2 oz. per gallon dilution.

## DefendEX RTU

1085667

6/1QT w / 2 trigger sprayers

EPA registered, one-step hospital disinfectant and bactericidal.

Time saving formula uses the cleaning power of hydrogen peroxide.

# Housekeeping Concentrates

## Concentrated Glass and Multi-Surface Cleaner – (A)

108561

2/1G, 4/1G

Removes heavy soils and grease from glass doors, mirrors, vending machines, chrome, porcelain, and counter tops.

## Orchard Aire Odor Counteractant Concentrate

108550

4/1G

An odor eliminator that has a crisp apple scent that removes unpleasant room odors.

## Fresh & Clean Odor Counteractant Concentrate

108547

4/1G

An odor eliminator that has a fresh, clean scent that removes unpleasant room odors.

## Concentrated Bathroom Cleaner – (C)

10868

2/1G

A concentrated alkaline formula safe for bathrooms. Excellent for removing stubborn soils and soap build-up.

## Berry Aire Odor Counteractant Concentrate

108549

4/1G

An odor eliminator that has a berry scent that removes unpleasant room odors.

## Concentrated Kitchen Degreaser & All Purpose Cleaner – (D)

108581

2/1G

Removes greasy kitchen soils from range hoods, fans, floors and walls, as well as stubborn dirt and grime

## Concentrated Quarry Tile Cleaner – (E)

1084577

4/1G

An excellent chlorinated cleaner for cleaning quarry tile floors and tile walls.

### Concentrated Neutral All Purpose & Floor Cleaner – (H)

10869

4/1G

Neutral pH, no-rinse, concentrated cleaner for general housekeeping and floors. Can be used manually or with a mechanical floor scrubber

### Concentrated Citrus All Purpose Cleaner (L)

108466

2/1G, 4/1G

A concentrated product for cleaning, maintenance and degreasing of all washable surfaces. Also, this product can be used as a laundry and carpet prespotter.

### Pro-Gobbler

108558

6/1QT

Protein stain and odor remover. For use in all drains in kitchens, fountain machines, restrooms, and showers.

## Toilet Bowl Cleaners

### H-Cling

108900

12/1 QT

Porcelain Cleaner is a thickened, clinging, 9% Hydrochloric Acid formula for cleaning toilet bowls, urinals, and other porcelain surfaces in washrooms.

### Phos-X

108902

12/1 QT

Thickened 20% Phosphoric Acid-based bowl, porcelain, and bathroom cleaner. Clings to vertical surfaces for increased cleaning power, easily and quickly removes uric acid salts.

### H-Clean MAX

108901

12/1 QT

High acid emulsion formulation removes calcium, lime, scale, iron/rust stains, and uric acid buildup from toilet bowls and urinals.

## Concentrated Dilution Control System

### CitraWorx

*Concentrated Citrus  
All Purpose Cleaner*

108466 W

4/2L

A concentrated product for cleaning, maintenance, and degreasing of all washable surfaces. Safe and non-toxic product that can also be used as a laundry prespotter. Fresh citrus scent.

### OxyWorx

*Concentrated All Purpose  
Hydrogen Peroxide Cleaner*

108602 W

4/2L

A highly concentrated Hydrogen Peroxide Cleaner that is highly effective against all types of soils. Use as a hard surface cleaner or even a carpet and laundry prespotter.

### NeutraWorx

*Concentrated Neutral Cleaner*

108691 W

4/2L

Neutral formula is safe on most surfaces. Concentrated no-rinse formula saves time. Use manually or with a mechanical floor scrubber.

### GlassWorx

*Concentrated Glass Cleaner*

108561 W

4/2L

Solvent based formula eradicates smoke build-up and greasy soils. Non-streak formula lets you clean faster, with sparkling results.

### TNTWorx

*Concentrated Tub & Tile Cleaner*

10831 W

4/2L

Mild, acid based formula is safe for bathrooms. Excellent for removing soap build-up and lime deposits.

### pH-Worx

*Neutral Cleaner*

10869 W

4/2L

An economical neutral cleaner that is safe on all surfaces. Can also be used with mechanical floor equipment.

### AirWorx

*Odor Counteractant Concentrate*

108547 W

4/2L

Spray diluted product directly on the area with offensive odors. The Fresh Scent along with odor counteractants will remove even the most obnoxious odor. Fabric safe.

### ZymeWorx

*Bioenzymatic Floor Cleaner*

10834 W

4/2L

Cleans kitchen floor and grout, and reduces slipperiness. Floors get cleaner with every use.

### **BathWorx**

*Alkaline Bathroom Cleaner*

**10868 W**

4/2L

A concentrated formula safe for bathrooms. Excellent for removing stubborn soils and soap build-up.

### **Lemon Disinfectant**

**10869 W**

4/2L

A phosphate-free formulation designed to provide effective cleaning, deodorizing, disinfection where controlling cross-contamination from treated surfaces is especially important.

### **PurpleWorx**

*Butyl Degreaser*

**108583 W**

4/2L

An outstanding kitchen degreaser and general purpose cleaner. Removes grease and oils from walls, floors and non-aluminum surfaces.

### **256Worx**

*Concentrated Hospital Disinfectant*

**108697 W**

4/2L

Hospital-grade neutral disinfectant that cleans and disinfects floors, walls, sinks, toilets, countertops and all equipment. Economical 1/2 oz. per gallon dilution.

### **Beach Fresh**

*Odor Counteractant Concentrate*

**108551 W**

4/2L

Highly concentrated odor counteractant that removes the most obnoxious and unpleasant room odors with a fruity, pineapple scent.

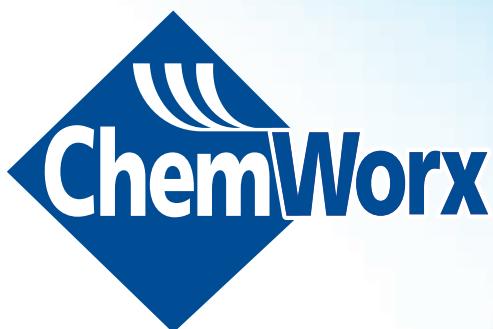

### **Quat Sanitizer**

*Concentrated Quat Sanitizer*

**108554 W**

4/2L

Disinfects and deodorizes hard surfaces, and is a no-rinse sanitizer for food service utensils, pots, pans, counters and all kitchen equipment.

## Liquid Laundry Detergents

### Laundry Suds

10823

4/1G, 1/5G, 1/15G

This detergent can be used alone in top loaders or coupled with a builder when used in programmable wheels. Considered a workhorse, Laundry Suds is a great choice for everyday use.

### O2 Laundry Suds

108232

4/1G, 1/5G

Low sudsing formula with a heavy dose of color-fast bleach. Designed for use in top loading and commercial HIGH EFFICIENCY washers that use less water and energy.

### Hypoallergenic Suds

108231

1/5G

The effectiveness of Laundry Suds with no added fragrance, dye or phosphates.

### Hypoallergenic Suds with Color-Fast Bleach

108233

4/1G

The power of color-fast bleach is included for enhanced performance. Safe for use in home style and commercial washers.

### Bio Suds

108234

4/1G, 1/5G, 1/15G

An enzyme-fortified, phosphate-free, low sudsing detergent designed for use in HIGH EFFICIENCY WASHERS that uses less water and energy.

Gentle on fabric. Releases heavy soils and prevents redeposition. Produces fresh-scented laundry.

### Super Suds

108236

5G, 15G, 55G

A phosphate-free, solvent based detergent with an amazing 4 surfactant blend to dissolve both polar and nonpolar substances.

### Total Hypo Suds

108233 TW

2/1G

HE suds with color-fast bleach. Safe for use on all fabrics. For use in top loaders or large commercial wheels. No scent or dye to make it totally hypoallergenic. Phosphate free. Use  $\frac{3}{4}$  oz. to  $1\frac{1}{4}$  oz. per 50# of linen.

Use GREY SafeLink  
Cap #913474

### Autograph / Ultra Suds Concentrated Laundry Detergent

10825

1/5G, 1/15G

Unsurpassed, 100% active laundry suds. Our top laundry detergent. Allows the lowest use-cost option while offering effective cleaning power.

### All Clear

108235

1/15G

A phosphate-free, low sudsing detergent designed for use in HIGH EFFICIENCY WASHERS that use less water and energy.

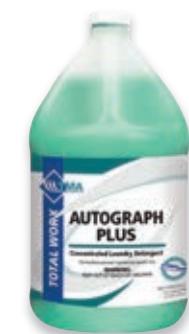

### Total Bio-Suds

108234 TW

2/1G

A concentrated, enzyme-fortified, phosphate-free, low sudsing detergent designed for use in HIGH EFFICIENCY WASHERS that uses less water and energy. Use .5 oz. to 1.5 oz. per 50# of linen.

Use DARK BLUE SafeLink  
Cap #913472

### Autograph Plus

10825 TW

2/1G

A premium, super-concentrated, 100% active laundry detergent formulated to yield exceptional results in high soil conditions. This detergent contains non-ionic surfactants, optical brighteners and soil-busting additives. Use  $\frac{3}{4}$  oz. to  $1\frac{1}{2}$  oz. per 50# of linen.

Use LIGHT BLUE SafeLink  
Cap #913473

### Liquid Laundry Presoak Emulsifier

108456

2/1G, 1/15G, 1/15G

A versatile formula that removes stains caused by makeup, grease and oils. Can be used as a prespotter, presoak or alone as a detergent.

# Powdered Laundry Detergents / Breaks

## Powder Laundry Break

10829

1/50LB

Laundry Break can be used alone to eliminate heavy, greasy, soils or coupled with a detergent of your choice to boost its cleansing power. Designed for institutional laundries only.

## Surfs Up

### Powder Laundry Detergent

108621

1/50LB

A cost-effective detergent that is designed for light duty soils. Safe for use on all personals, terry & tablecloths. A great option for schools, health clubs, assisted living facilities and restaurants.

## Sun Brite / Laundry Detergent

108465

2/10LB, 1/50LB

Fragrance and dye free, this low sudsing formula releases heavy soils while preventing redeposition. Can be used in HE washers.

## Enzyme Laundry Presoak & Detergent

108485

1/25LB, 1/50LB

A versatile laundry compound that includes added enzymes for stain removal. Safe for use in domestic, top loading machines, this product provides clean, freshly scented laundry.

## Laundry Premium Detergent

10862

1/25LB

This cost-effective combination of "Suds" and "Break" provides superior laundering of heavily soiled items. Formulated for institutional or top loading machines.

# Liquid Laundry Built Detergents

## Laundry / Heavy Duty Built Detergent

108451

1/5G, 1/15G, 1/55G

A concentrated liquid detergent combined with break which releases and removes heavy soils.

## Laundry / Concentrated Heavy Duty Built Detergent

108445

1/5G, 1/15G, 1/30G, 1/55G

A liquid, concentrated blend of stain removers and surfactants formulated to cleanse heavy linen soils.

## Nova Concentrated Laundry Emulsion Detergent

108450

1/5G, 1/15G

A concentrated, emulsion detergent whose combination of alkaline builders and surfactants releases and removes heavy soils from soiled laundry. Optical brighteners leave your linen the whitest it can be.

## Total Built

108445 TW

2/1G

A heavy duty built detergent for all soil types. Emulsifies grease, suspends heavy soils and rinses clean to prevent redeposition. Use ½ oz. to 1 oz. per 50# of linen. Use RED SafeLink Cap #913471

# Liquid Laundry Break

## Hallmark / Liquid Break

**10824**

1/5G, 1/15G, 1/30G, 1/55G

A soil-busting alkaline builder which breaks tough, heavy soil away from fabric.

## Total Break

**10824 TW**

2/1G

Concentrated break to loosen up even the toughest soils and help condition hard water.

½ oz. to 1 oz. per 50# of linen.

Use GREY SafeLink Cap #913474

# Softeners & Neutralizers

## Laundry Neutralizer

**10826**

1/5G, 1/15G, 1/55G

This non-foaming combination of laundry sour and rust remover prevents rust stains, yellow spots and graying. Prevents skin irritations by neutralizing detergent alkalinity. For use in automatic dispensing systems.

## Laundry Softener Sanitizer

(E.P.A. Reg.)

**108474**

1/5G, 1/15G

E.P.A. registered, residual bacteriostatic and self-sanitizer that reduces odor causing bacteria from wet contamination.

## Laundry Softener

**10828**

4/1G, 1/5G, 1/15G

This economical liquid fabric softener is safe for all types of laundry. Provides soft, supple, fresh smelling linens while eliminating static electricity and maintaining the absorption properties of fabrics.

## Laundry Soft & Sour

**10853**

1/5G, 1/15G

A perfect combination of softener and sours which results in clean, soft, fresh smelling and non-irritating linens.

## Laundry Rust-Removing Sour

**10854**

1/5G

A combination rust-remover and laundry sour, this product eliminates iron stains on fabric while neutralizing the laundry's pH.

## Total Sour

**108266 TW**

2/1G

Extremely concentrated sour to use in final rinse bath, prevents greying and yellowing of fabrics.

Use GREEN SafeLink

Cap #913384

### Total Soft

108283 TW

2/1G

Concentrated softener with an amazing smell to leave linen with that soft, fresh feeling. Eliminates static electricity. Use  $\frac{1}{2}$  oz. to  $\frac{3}{4}$  oz. per 50# of linen.

Use LIGHT BLUE SafeLink

Cap #913473

### Total Soft/Sour

10853 TW

2/1G

Concentrated soft/sour for use in a 3 or 4 product system. Same great softener smell but enough acid to drop pH. Saves time and money by softening and neutralizing in one step. Use  $\frac{1}{2}$  oz. to  $\frac{3}{4}$  oz. per 50# of linen. Use GREEN SafeLink

Cap #913384

## Destainers

### Laundry Chlorine Destainer

10859

1/5G, 1/15G, 1/55G

Concentrated liquid brightener that offers twice as much bleaching action as regular household bleach. Use in your automatic dispensing system for outstanding results.

### Powder Laundry Bleach

108631

1/50LB

An affordable, concentrated dry bleach designed for use in commercial laundry machines. Ideal for use in schools, health clubs, assisted living facilities and restaurants. Offers outstanding results.

### Laundry Oxygen Bleach

10860

1/5G, 1/15G, 1/30G, 1/55G

Concentrated oxygen bleach that is safe for all white, colorfast and synthetic fabrics. Can be used in all water temperatures to brighten even when high iron content is present.

### Powder Oxygen Bleach

108591

1/50LB

A concentrated, color-fast bleach best used primarily on colored fabrics. This odor-free formula works well in all temperatures and offers outstanding results at an affordable price point.

### Total Destainer

10859 TW

2/1G

12.5% destainer to whiten fabrics to a rich, bright white. Do not use on colors. Use  $\frac{3}{4}$  oz. to  $1\frac{1}{2}$  oz. per 50# of linen.

Use YELLOW SafeLink

Cap #913385

# TOTAL WORX

## Laundry Products

Super Concentrated with Color Coded SafeLink Cap System.

### TOTAL BREAK

10824 TW

2/1G

Concentrated break to loosen up even the toughest soils and help condition hard water.

½ oz. to 1 oz. per 50# of linen.

Use GREY SafeLink Cap #913474

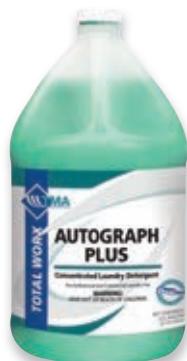

### TOTAL BUILT

108445 TW

2/1G

A heavy duty built detergent for all soil types. Emulsifies grease, suspends heavy soils and rinses clean to prevent redeposition. Use ½ oz. to 1 oz. per 50# of linen.

Use RED SafeLink Cap #913471

### AUTOGRAPH PLUS

10825 TW

2/1G

A premium, super-concentrated, 100% active laundry detergent formulated to yield exceptional results in high soil conditions. This detergent contains non-ionic surfactants, optical brighteners and soil-busting additives. Use ¾ oz. to 1½ oz. per 50# of linen.

Use LIGHT BLUE SafeLink Cap #913473

### TOTAL DESTAINER

10859 TW

2/1G

12.5% destainer to whiten fabrics to a rich, bright white. Do not use on colors. Use ¾ oz. to 1 ½ oz. per 50# of linen.

Use YELLOW SafeLink Cap #913385

### TOTAL HYPO SUDS

108233 TW

2/1G

HE suds with color-fast bleach. Safe for use on all fabrics. For use in top loaders or large commercial wheels. No scent or dye to make it totally hypoallergenic. Phosphate free. Use ¾ oz. to 1 ¼ oz. per 50# of linen.

Use GREY SafeLink Cap #913474

### TOTAL BIO-SUDS

108234 TW

2/1G

A concentrated, enzyme-fortified, phosphate-free, low sudsing detergent designed for use in HIGH EFFICIENCY WASHERS that uses less water and energy. Use .5 oz. to 1.5 oz. per 50# of linen.

Use DARK BLUE SafeLink Cap #913472

### TOTAL SOFT

108283 TW

2/1G

Concentrated softener with an amazing smell to leave linen with that soft, fresh feeling. Eliminates static electricity. Use  $\frac{1}{2}$  oz. to  $\frac{3}{4}$  oz. per 50# of linen.

Use LIGHT BLUE SafeLink Cap #913473

### TOTAL SOFT/SOUR

10853 TW

2/1G

Concentrated soft/sour for use in a 3 or 4 product system. Same great softener smell but enough acid to drop pH. Saves time and money by softening and neutralizing in one step. Use  $\frac{1}{2}$  oz. to  $\frac{3}{4}$  oz. per 50# of linen.

Use GREEN SafeLink Cap #913384

### TOTAL SOUR

108266 TW

2/1G

Extremely concentrated sour to use in final rinse bath, prevents greying and yellowing of fabrics.

Use GREEN SafeLink Cap #913384

## Laundry Specialty Products

### Laundry Liquid Starch

1085595

1/5G

A concentrated, broad spectrum sizing adds body to fabric without product buildup. Protects cotton fibers, extends linen life and is suitable for a broad range of cotton and polyester blends.

### H2O Power

108200

1/5G, 1/15G

A non-phosphate water conditioner that will overcome all water conditions. Harnesses hard water minerals preventing staining and graying.

**STAINWORX**

**Laundry Pre-treatment Stain Solutions**  
Solutions de manchas de pretratamiento de lavandería

**Directions for Use / Instrucciones de uso**

1. Carefully test a concealed area of fabric for colorfastness.  
Rode el pretratador aplicable con fuerza completa sobre las manchas antes del lavado.
2. Spray applicable pre-treater full strength on stains prior to washing.  
Frote suavemente la tela para asegurar la penetración completa de la mancha.
3. Gently rub into fabric to ensure complete penetration of the stain.  
Lave como de costumbre con el detergente para ropa deseado.
4. Wash as usual with your desired laundry detergent.  
Repita si es necesario en las manchas difíciles.
5. Repeat if necessary on stubborn stains.  
Repita si es necesario en las manchas difíciles.

## Laundry Stain Solutions

### Blood Buster

108610

6/1QT

Blood stain remover used to pre-treat blood stained fabrics prior to washing.

### Brite White

1084574

6/1QT

Laundry prespotter designed to remove bleachable stains such as wine, mildew, coffee, or tea. Do not use on colored fabrics.

### Enzyme Erase

108609

6/1QT

Enzyme-powered stain remover that is effective in removing most stains on polyester-blend and cotton fabrics.

### Grease Gone

1084562

6/1QT

Liquid Emulsifier stain remover designed specifically to combat makeup, grease, and oil stains.

### Rust Remedy

108607

6/1QT

This product removes rust and residue. It also eliminates iron and other hard water minerals.

### Reclaim + Bleach

108623

12 / 1.2LBS

A concentrated, alkali detergent with heavy bleach boosters. Removes stains and brightens laundry. Dissolves quickly in water. *Do not use on colors.*

### Reclaim Color

108624

2/10LB

A concentrated, dry color-fast bleach formulated primarily for colored fabrics laundered in commercial and top loading laundry machines. This is also safe for use with white and light colored fabrics.

### Rust Away Powder

108622

2/10LB

An aggressive, laundry powder formulated to reclaim linen that is stained with iron and rust deposits.
